**Summary**

We've known and admired this much-loved boat for many years, and her owners now look forward to cruising the back roads rather than the waterways. This is the perfect 'goldilocks' boat: not too big to handle or run, and not too small to be cramped. Plenty of room for crab pots, fishing tackle, and lots of cold beer in the NEW fridge.

Machinery is in excellent condition and has been very well maintained. The owner replaced the engine with a more powerful Volvo when he bought the boat, and has serviced it regularly – runs like a charm!

Proudly offered for EXCLUSIVE sale by Central Yacht Sales, call Matthew Holliday on 0408 005 309 for more information or to book an inspection.
